MEMORANDUM FOR: Executive Officer to the DDA

25X1   FROM:

Executive Officer, Office of Logistics

SUBJECT: FY-86 Standard Support Requirements
REFERENCE: Directorate of Administration 1985 Program
                  Standard Support Requirements

1.   In response to the referent, the Office of Logistics
(OL) has completed a comprehensive review of the FY 1985
Program/Standard Support Requirements (SSR) package. Based on
that review we have updated our resource requirements for the
FY 1986. You will note that in some areas OL requirements have
changed substantially from those contained in the FY 1985 SSR
package. We feel that these changes, noted on and incorporated
with the attached 1985 Standard Support Requirements booklet,
are necessary in order to ensure that OL has the capability and
the resources required to support Agency-wide growth and New
Initiatives.

2.   In addition, we would like to take this opportunity to
offer the services of an OL representative to participate on
the DDA committee that will be applying SSR resources in the
25X1   spring of 1984.
